Dear Dr. Lins:

Thank you for your facsimile dated December 8, 2005.

We have contacted the USPTO concerning the incorrect customer identification number and we have filed a change of correspondence address document in the USPTO. A copy of the paper we filed today is enclosed for your reference.

An outstanding issue in this case is that the application was filed incomplete without an executed declaration. Enclosed herewith (by facsimile and mail) is a declaration and power of attorney paper and an assignment paper. These documents may be executed and returned to us by facsimile for filing in the USPTO.

We look forward to filing the completed documents.

Very truly yours,  
  
 Michael E. Whitham
